“Family Physician Is Vital For Healthy Society”

Date: 15.04.2022

Dear Sir,

GREETINGS FROM **AHMEDABAD FAMILY PHYSICIANS ASSOCIATION**. It is our great pride and pleasure in inviting you the **“HERITAGE CITY OF INDIA, AHMEDABAD”**.

AFPA is celebrating its **silver jubilee** next year, and we are lucky to have privilege of hosting **National Conference of FFP AI**

We family physicians are the doctor of first & last resort-from common cold to cancer. We offer easily accessible, affordable, continuous & comprehensive care to families & are responsible for total health care needs. Recent pandemic has once again stressed upon the need for robust primary care in the country and **we the family physicians are a strong pillar of efficient, easily accessible and affordable primary care in the country.**

The mission of conference is to improve the quality of life of the people of India through by fostering & maintaining high standards of care in family medicine by promoting personal, comprehensive & continuing care for the individual in the context of family & the community.

Over 1000 Indian family Physicians are expected to attend the event. The conference will have keynote address, workshop & round tables on family practice, free papers of scientific research & continuing education tips. Interesting programme for spouses also has been planned out.
